COMMENTS:

I attended the meeting in Goldfield on 4 May. The route proposed

by the Esmeralda County Commissioners just west of Goldfield and east of the

Mallapies would have the least disturbance of private property with the maximum
commercial benefits.

Please note: Your comment(s) must be received by the Department of Energy by June 1, 2004 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.

Please feel free to attach additional pages (if mailing, more postage may be needed).
